

North East Archers

North East Archers Membership Fees

Your membership fees go to a number of organisations:

- **Archery GB** for your insurance – you can't shoot without this, and this pays towards quarterly issues of Archery UK.
- **Durham and Northumberland Archery Association (DNAA)**, which is the county the club is within, and the fees help to fund county competitions and events.
- **Northern Counties Archery Society (NCAS)**, which is the region the club falls into, and the fees help to fund regional competitions and events.
- **North East Archers** to help us purchase and renew all necessary equipment and help with venue costs

DNAA and NCAS have flat yearly fees but those for Archery GB and North East Archers follow a quarterly structure, with the year running from 1st October to 31st September (we'll collect fees for the next year in August and September as they have to be have been sent to Archery GB by October). This means you'll pay for the remainder of the year from when you do your beginners course, until the 31st September. However when renewals are due we are willing to take 3 instalments in the months of July, August, and September.

We offer a discount for senior members who have completed a beginners course with us, which offers a 75% discount on the club fee for the first year. (Please note: this does not reduce the affiliation fees.)

Junior fees are £20 for the Archery GB year, irrespective of joining date.

(Note: These figures are accurate as of October 2013)
